Nardin Off and Running

There is strength in numbers for the Nardin cross country team. The Gators' seven runners finished 3-4-5-6-7-8-9 to beat Mount Mercy, 25-36, at Westwood Park in Lancaster. Kateri Walsh of Mount Mercy won the race in 17:39.

It was the league opener for Nardin, winner of the Monsignor Martin Association's regular season last year. All of Nardin's runners crossed between 19:30 and 19:32. Leading the pack was two-time defending All-Catholic champion Jill Shea.

"We have a very young team," said coach Matt Donahue. "Jill's just been fantastic with bringing them along, and kind of showing them not only what cross country is all about, but what running on the varsity level means."
