

Although the Great Section 6 Runs Oracle is all knowing, all-seeing...He can lay an egg from time to time. As some say, "Hey, I'm not perfect!"

With that being said, the Great Oracle intentionally mis-guided the Section VI youth, coaches and parents with intentional missed predictions to motivate those who were named or not named! Psychology folks!

The Great Oracle sincerely congratulates every single student-athlete who competed. YOU ARE ALL WINNERS!
